# How To Sell Items on Poshmark

Poshmark Username-@threads4stmarys

## 1. Get supplies ready.

- Collect items that you are selling.
- Shipping materials. (boxes, thank you cards, shipping labels, etc.)
- Camera.

## 2. Prepare items

- Wash all items being sold.
- Iron all clothing items.
- Make all items look presentable and ready for posting.

## 3. Upload images of the products available for sale on the Poshmark website.

- Include a comprehensive description of the item being offered.
- Add as many pictures as you feel fit. (front, back, sleeves,& tags)
- Included the correct sizing, brand, color, material, & condition of such item.
- Included both the new price you are advertising the item at and the original price you purchased it at.
- To get the finest results, take images with a white background and appropriate lighting.

## 4. Wait for customers to offer and buy items!!
